

# VALUE Faith GRADE - 9

## Understanding Faith

01

### Understanding Faith

#### Objective:

Faith can take many forms

#### Activity:

Work in groups of 4-5 members. Choose one aspect of faith to research, such as:  
1. Faith in oneself, 2. Faith in others (trust and relationships), 3. Faith in principles or values, 4. Faith in spirituality or religion. Use reliable resources such as books, articles, and online materials to gather information about your chosen topic

#### Example:

"Faith in oneself is crucial for resilience, as seen in Helen Keller's journey from adversity to advocacy."
"Trust in relationships strengthens bonds, illustrated by the partnership of Mahatma Gandhi and his supporters."
"Faith in principles like justice and equality drove Martin Luther King Jr.'s impactful civil rights movement."

02

### Preparing Your Group Presentation

#### Objective:

Collaboratively organize your research into a clear and engaging presentation.

#### Activity:

Include the following sections in your presentation:  
1. Definition of Faith: What does faith mean in your chosen context?  
2. Examples and Evidence: Real-life examples or case studies that illustrate this aspect of faith.  
3. Significance of Faith: Why is this type of faith important in life?  
4. Challenges and Insights: What are the challenges associated with this type of faith, and what can we learn from it?

#### Example:

1. "Faith in oneself means believing in your abilities, even in the face of failure as illustrated by Oprah Winfrey's success story."	2. "This faith fostered confidence and resilience, which are crucial for overcoming life's obstacles."	3. "However, self-doubt can be a major challenge, teaching the importance of perseverance and compassion."
---	--	--

03

### Presenting to the Class

#### Objective:

Instructions

#### Activity:

1. Each group will have 10 minutes to present their research findings to the class.
2. Ensure every group member participates in the presentation.
3. Highlight the key points and encourage questions or discussion from the audience

#### Example:

Example Key Points for Group Presentation:  
1. "Our research shows that faith in values like honesty builds trust and strengthens communities."  
2. "Each member will share a unique example, such as historical leaders or modern-day role models."

04

### Reflection on the Presentation

#### Objective:

Reflection Questions

1. What new perspectives on faith did you learn from your research?  
\_\_\_\_\_
2. How did collaborating as a group enhance your understanding of faith?  
\_\_\_\_\_
3. What interesting insights did you gain from other groups' presentations?  
\_\_\_\_\_

## Worksheet 2 : Understanding Faith

### Project: Group

Group Members:

Date:

Grade:

### **Step 1: Understanding Faith**

Introduction:

Faith can take many forms: belief in oneself, in others, in principles or values, or in something greater than oneself. This group project will allow you to explore the concept of faith through research and present your findings collaboratively.

### **Step 2: Conducting Research**

#### **Instructions:**

1. Work in groups of 4-5 members.
2. Choose one aspect of faith to research, such as:
  - Faith in oneself
  - Faith in others (trust and relationships)
  - Faith in principles or values
  - Faith in spirituality or religion
3. Use reliable resources such as books, articles, and online materials to gather information about your chosen topic.
4. Include examples, quotes, and case studies to support your findings.

### **Step 3: Preparing Your Group Presentation**

#### **Instructions:**

1. Collaboratively organize your research into a clear and engaging presentation.
2. Include the following sections in your presentation:
  - Definition of Faith: What does faith mean in your chosen context?
  - Examples and Evidence: Real-life examples or case studies that illustrate this aspect of faith.
  - Significance of Faith: Why is this type of faith important in life?
  - Challenges and Insights: What are the challenges associated with this type of faith, and what can we learn from it?
3. Use visuals like slides, charts, or illustrations to make your presentation engaging and informative.

4. Practice as a group to ensure smooth delivery.

#### **Step 4: Presenting to the Class**

##### **Instructions:**

1. Each group will have 10 minutes to present their research findings to the class.
2. Ensure every group member participates in the presentation.
3. Highlight the key points and encourage questions or discussion from the audience.

#### **Step 5: Reflection on the Presentation**

##### **Instructions:**

After your presentation, reflect on what you learned as a group and what insights you gained from other groups' presentations. Use the questions below to guide your reflection:

##### **Reflection Questions:**

1. What new perspectives on faith did you learn from your research?  
o \_\_\_\_\_  
o \_\_\_\_\_
2. How did collaborating as a group enhance your understanding of faith?  
o \_\_\_\_\_  
o \_\_\_\_\_
3. What interesting insights did you gain from other groups' presentations?  
o \_\_\_\_\_  
o \_\_\_\_\_

## **Sample Worksheet 2: Understanding Faith**

### **Project: Group**

Group Members:

Date:

Grade:

### **Step 1: Understanding Faith**

**Chosen Aspect of Faith:** Faith in oneself

### **Step 2: Conducting Research**

#### **Key Points from Research:**

1. **Definition of Faith:** Faith in oneself means trusting your abilities and potential to achieve goals.
2. **Examples and Evidence:** Thomas Edison believed in his ability to invent even after multiple failures.
3. **Significance of Faith:** Self-belief helps overcome challenges and builds resilience.
4. **Challenges and Insights:** Fear of failure and self-doubt can hinder faith in oneself, but persistence is key.

### **Step 3: Preparing Your Group Presentation**

#### **Structure of Presentation:**

1. **Introduction:** Definition and importance of faith in oneself.
2. **Examples:** Stories of famous personalities like Thomas Edison and Oprah Winfrey.
3. **Visuals:** A chart showing the impact of self-belief on success.
4. **Conclusion:** Encouraging self-belief to build confidence and achieve goals.

### **Step 4: Presenting to the Class**

#### **Group Participation:**

- Rahul: Introduced the topic and gave examples.
- Priya: Explained the significance and shared challenges.

- Aarav: Presented the visuals.
- Ananya: Summarized and concluded the presentation.

### **Step 5: Reflection on the Presentation**

#### **Reflection Questions:**

1. **What new perspectives on faith did you learn from your research?**
  - Faith in oneself is the foundation for achieving personal success.
2. **How did collaborating as a group enhance your understanding of faith?**
  - It helped us see different angles of self-belief and learn from each other.
3. **What interesting insights did you gain from other groups' presentations?**
  - Faith in relationships builds trust and strengthens bonds.
