

01

### Identifying Creative Passions

- List down Top 3 - 5 hobbies.
- Reflect on these interests and hobbies.
- Circle the one you would like to focus on.

02

### Research and Inspiration

- Research about your chosen Creative Passion.
- Explore different styles, techniques and influential figures known for the same.
- Write down some key findings or sources that inspire you and describe where you found the same.

### Skill Development and Practice

- Dedicate time each day to practice and develop your chosen creative art form.
- Record Day 1 to Day 5 (Time spent & project / technique)

03

### Creative Showcase

- Create a final creative piece which showcases the progress, skills, and personal style you've developed.
- Decide how you will present your creative work.
- Share your creative work with peers, teachers, or family members.

04
