

Eco Warriors

VALUE - NATURE'S LOVE

GRADE - 7

01

Team Formation and Environmental Assessment

- Form a team of 4-6 members having diverse skills and interests.
- Conduct a comprehensive assessment of your school environment.
- List down areas that need waste management practices (Energy, Waster, Eco Friendly Opportunities).

02

Action Planning

- Develop a detailed action plan outlining your team's goals, strategies, and specific tasks.
- Assign roles and responsibilities within the team to ensure everyone contributes uniquely.

Implementation and Progress Monitoring

- Execute your action plan. Note down :
Initiatives implemented-----
Implementation challenges-----
Successes and achievements-----
- Monitor and track your team's progress. Collect data, measure outcomes, and make necessary adjustments.

Celebration and Reflection

- Celebrate and present the Group Project to your school community.
- Reflect on the challenges faced, lessons learned and the positive changes you have made in preserving the environment.

Achievements celebrated-----
Initiatives showcased-----
Lessons learned-----
Positive environmental changes-----
