

Helping Hands Making a Difference Together

VALUE - SERVICE

GRADE - 10

01 Explore Your Community

- Take a walk in your neighborhood with your group.
- Observe the lifestyle lived by the underprivileged people.
- Research and discuss about the challenges faced by them.
- How do you feel about your life?
- What are the things you feel grateful about?
- Write down the key points about the issues you want to address, such as poverty, lack of education, or inadequate access to healthcare.
- Brainstorm Helping Aid - Plan in group how you can help the underprivileged.

02 Action Plan

- Choose one idea for help and allocate the responsibilities to group members
- Create a checklist on the steps and requirements. Create a colorful poster with your plan.
- Use relevant slogans and pictures. Make sure to carry the poster everywhere with you, so to keep yourself motivated and devoted towards your helping plan.
- Collect and creating help :Start collecting items such as toys, books, generic medicines, warm clothes for your project
- List down the items you wish to collect from your near and dear ones. Also create handmade cards or drawings to give with the items to the underprivileged for the Helping Hands Project.

PROTECT THE
POOR
HELP & DONATE

Spread and Deliver the Help!

- To increase the helpers for your project, create attractive flyers and project about your initiatives in school, library or local community center.
- Set up a collection box & Deliver Your Help : Visit the Underprivileged families, hand over collected items, make them feel comfortable, listen to their life stories.
- Support them Empower them, Offer skill & training, know about their dreams and aspirations.

Reflect and Share Celebrate Together

- Talk about the group's feelings related to the project.
- Discuss challenges faced by each one of the group member.
- Create a group artwork or collage about the project's journey.

Celebrate together - Organize a small celebration with your group. Share your experiences, look at the pictures, and enjoy some home cooked food. Take photos and share with your friends and family to inspire them.

CAPTURE IMAGES, VIDEOS OF ALL THE STAGES AND COMPILE AND SHARE AS PROJECT REPORT WITH LINKS OF IMAGES AND VIDEOS IN SCHOOL DASHBOARD WITH HELP OF YOUR TEACHER
